# OUR CORE VALUES

## **INNOVATION – EMBRACING THE WAY FORWARD**

We are driven by creativity and progress. At

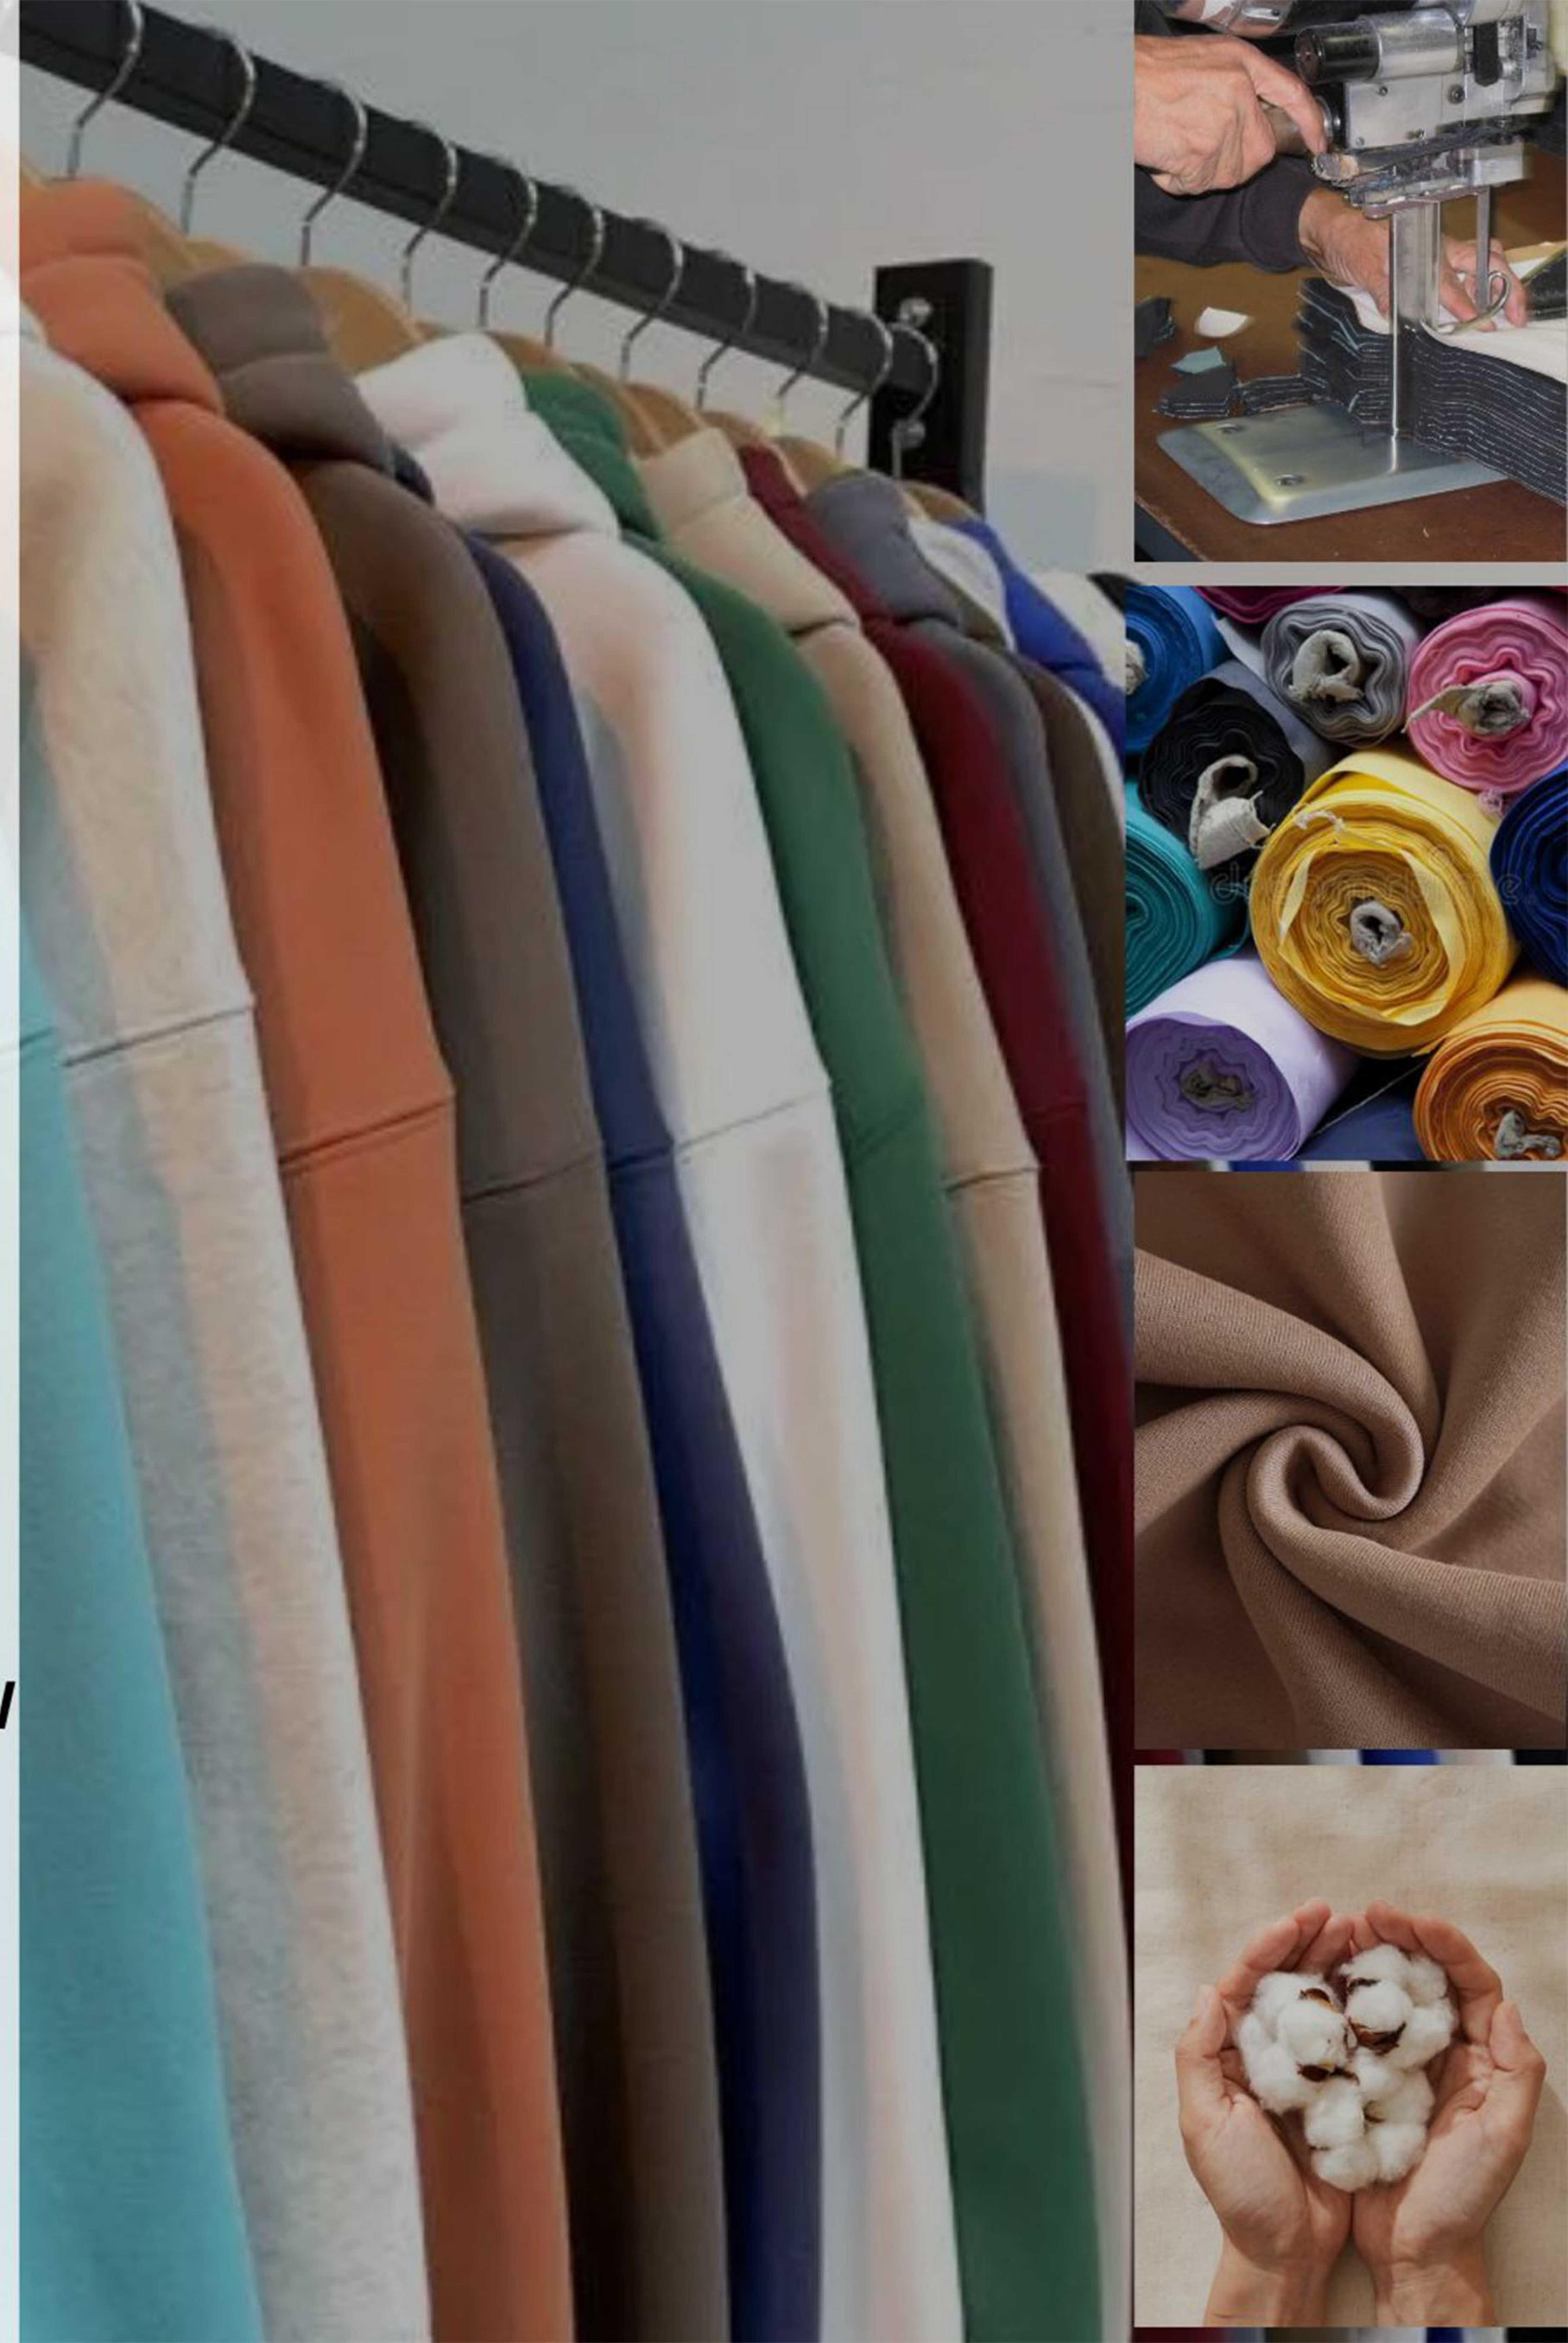

Fox Thread, we constantly explore new ideas, techniques, and solutions to improve our garments, services, and supply chain. Choosing the right partners enables us to innovate responsibly and shape fashion that lasts.

## **PEOPLE – BUILDING A STRONGER COMMUNITY**

Our journey is powered by people – our suppliers, partners, employees, and customers. We believe in respect, fairness, and collaboration, ensuring that every voice is heard and every contribution valued. Together, we form a global community connected by trust and purpose.

## **SUSTAINABILITY – PROTECTING OUR TOMORROW**

Sustainability is not a trend for us; it's a promise. From mindful sourcing to energy-conscious production, we take deliberate steps to reduce our footprint. Every piece we create reflects our commitment to caring for the planet and securing a healthier, greener world for future generations.

## **SUSTAINABLE ELEGANCE, WOVEN BY FOX THREAD.**

At Fox Thread, our story is about creating clothing that feels as good as it looks. We believe fashion should be timeless, functional, and sustainable – garments designed for everyday comfort, yet stylish enough to inspire confidence. Our commitment goes beyond design; it's about protecting nature, saving energy, and building a better future for the generations to come.

### **OUR MISSION**

To craft comfortable, stylish, and classic garments that empower people to look and feel their best, while embracing sustainable practices that respect both nature and humanity.

### **OUR VISION**

To become a trusted global fashion partner, recognized for creating clothing that combines timeless design, innovation, and responsibility, ensuring that every step we take today contributes to a more sustainable tomorrow.

## THE ESSENCE OF TIMELESS STYLE

Comfort creators. Style enthusiasts. Fox Thread is a family of dedicated individuals, united by a shared vision to design clothing that blends timeless style with everyday functionality. Since our beginning, we have set out to create garments that embody comfort, durability, and elegance, while building a transparent and sustainable fashion journey.

Our commitment is reflected in the quality of every piece we make. We believe true style lies in simplicity, and our collections are designed to be classic, versatile, and enduring. Each garment allows the wearer to express their individuality with ease, without ever sacrificing comfort or values.

As exporters, we proudly serve the UK and European markets, bringing our thoughtfully made collections to those who appreciate both responsible fashion and refined style.

We also believe progress is only possible together. That's why we collaborate closely with suppliers, partners, and customers who share our values of sustainability and innovation. United by this vision, we are shaping the future of fashion—one comfortable, functional, and ethically crafted garment at a time.
